Subject: RESOLVED: UCPath Help Site is Down
Date: Friday, July 16, 2021 2:48:53 PM
Attachments: image001.png

Good afternoon,

The issue with SharePoint has been resolved, and the UCPath Help site is back up. We recommend clearing your web browser cache to help provide a better user experience.

Job Aid: Clear Your Web Browser's Cache

Thank you for your patience,

UCPath Training Team

Subject: UCPath Help Site is Down

Good morning,

An issue has been identified with SharePoint that is impacting access to the UCPath Help site. It shows a "500 internal server error" message when attempting to access the UCPath Help site.

We are working on getting this issue resolved and will send you a follow-up as soon as it has been fixed.

We apologize for the inconvenience.

Thank you,

UCPath Training Team
