Did you know: It is not necessary to submit a case after submitting an off-cycle request to check the status

- The off-cycle dashboard has been recently redesigned to include more complete and timely status information for off-cycle requests
- Access the dashboard by navigating from UCPath > Quicklinks > Offcycle Dashboard
- **Resources:**
    - Job Aid: Off-Cycle Dashboard

Other Updates & Reminders:

- Job configuration changes and location specific configurations can be viewed on the Location Support Site
