Other Updates & Reminders:

- **Supplemental Health Plans:**
  - UC employees currently complete their enrollments in the Supplemental Health Plans (Accident, Critical Illness and Hospital Indemnity) via Aflac's website or by calling the UC Plus Customer Service Center. This will change beginning on September 1, 2022, at which time all new enrollments and mid-year changes will be completed in the UCPath system. This change will result in a more cohesive and streamlined process for UC employees.
  - During the conversion process, from now until August 31, 2022, all new enrollments and requests for mid-year changes in these plans must be made by completing the Health Benefits Enrollment Form for Life Events and submitting it to UCPath. The form and instructions for submitting it to UCPath are on the UC Plus website.
- Job configuration changes and location specific configurations can be viewed on the Location Support Site
